MESSAGE FROM THE PREZ ...

Water, Water, Water, wow this is a spring and early summer that we did not expect nor will we forget for quite a while. It seemed for a while that with all of the early cold and the flood conditions the summer was going to be a total bust. I have heard that walleye fishing on the big lake is picking up and there have been a few salmon boats out as well. As far as the club activities for the summer all is a go. The e-board regrouped and decided that there was no reason not to go on. The first boil will be August 6th and 7th at the state park in Pick City, look for the details in this newsletter and the 25th derby will be held August 20th. The quilt will be on display at the first outing so be sure to purchase your tickets. The weather is heating up so I suspect the water on the big lake is also, so hopefully fishing will be heating up too. Until later have a great summer and see you on the water.

PROGRAM CHAIRMAN

Well, we are into July and unfortunately the summer is slipping away rather fast for me. I hope this finds everyone enjoying the summer and looking forward to the Salmon fishing season. There have been some people out already but I have not heard much about results yet. I also hope this finds you all safe from all the flooding here in North Dakota this year. It looks like maybe the rivers are finally going to start going down. It has been a long struggle for many and my heart and thoughts go out to all.

While you are going about your busy summer, please mark your calendars for the events of the Great Planers Trout and Salmon Club for this year. The events that are planned so far are as follows:

Saturday, August 6th Salmon Boil and weigh in at the Sakakawea State Park at Pick City;

Sunday, August 7th Salmon weigh in;

Friday, August 19th Salmon Derby Rules Meeting at Sakakawea State Park;

Saturday, August 20th Salmon Derby with awards afterward at Sakakawea State Park;

Saturday, September 3rd Salmon weigh in at Sakakawea State Park;

Sunday, September 4th Salmon Boil and Weigh in at the Sakakawea State Park;

Saturday, September 24th Physically Challenged Kids Fishing Day.

The events above will need volunteers to help host them so if you are available, please contact Terry Focke at 701-220-3368 or email: tfocke@westriv.com You can also contact any other E-Board member and I am sure they will get the information to me.

I am looking forward to seeing all of you again for these events and on the water. I

hope you all have been having a good summer with family and friends. Be safe out there and catch a few salmon for me too.

2011 25th Annual Derby

Included with this newsletter is an entry form for the club's 25th Annual Trout and Salmon Derby. The derby will take place on Saturday, August 20th 2011 with the rules meeting Friday, August 19th at 7 p.m. Headquarters for both the derby and rules meeting will be Sakakawea State Park at the main shelter. Entry fee is \$30.00 per team and all derby participants must be members of the Great Planers Trout and Salmon Club. Please take time to preregister as it helps speed things up at the rules meeting. All applicants who preregister by August 9th will be eligible for a drawing of \$30.00 cash. Applications will be accepted until the end of the rules meeting Friday night.

With high water and all the flood related hardships throughout our region we have decided to celebrate our 25th annual derby as it marks a milestone worthy of recognition. There will be some fun stuff that we have not normally done and competitive events within the derby that you will only know about if you enter and compete in this significant derby. You have probably heard about the magnificent quilt that features derby tee shirts from past derby's that has been hand crafted to be won by some lucky person at the close of this year's derby. And as usual we will have a limited supply of the 25th annual derby tee shirts.

KIDS....KIDS....KIDS, as in past years we have divisions for all of our younger derby

participants with prizes and trophies for winners. Our club has always supported the future of salmon fishing by encouraging kids to fish this event. Please consider entering a kid to participate this year.

As in past years we have great sponsors for this event and as we go out into the community to ask for their kind donations I hope that you would take the opportunity to thank them every chance you can.

Anyone interested in helping with registration Friday night, checking boats Saturday morning, or assisting with the weigh-in Saturday afternoon should contact me or Monte Babeck or any e-board member. We could use your help!! Thank You.

(25th Annual Derby Chairman)
