MESSAGE FROM THE PREZ ...

Hello everyone, and I hope this finds you all having a great summer so far. We are heading into a great time of year--- SALMON SEASON---something we all look forward to with great hope and optimism. There has been a good showing of fish so

far this year. It seems to me that it is already better than last year. We have numerous salmon that have been caught that are in the 6-13 lb range. I have even managed to catch a few---if I can do it, anyone can do it. The fish are looking very good and healthy. Time will tell whether the numbers are great but so far many people are catching at least some fish with a few catching good numbers. Get out there and give it a try and you might be pleasantly surprised at what you find this year.

The club had an outing the weekend of August 7th and it seems there were some real nice fish weighed in with the largest just under 14 lbs. Great going guys and gals and kids---it was a good showing. If you didn't get a chance to attend, plan on getting out to the next one in September and you will not be sorry. There was a pretty good showing of club members and families and it seemed everyone was having a good time with great food also. I would like to thank everyone who helped with the outing as it was a good time for all.

Once again, I can't tell you enough times how much we need help to put on the events for the club. It seems the same people are always at the front and giving their time and efforts and we could sure use some help. If

you would like to help in any way, just contact one of the E-Board members and they can point you in the right direction. The more people that can pitch in there and help, the less work it is for everyone. The people who are behind the scenes work very hard to bring these to you and appreciate it when they get a big crowd to enjoy them. Remember it is your club and without your help there wouldn't be a club or the events.

Please look through the newsletter and make sure you have the dates for all the club events on your calendars.

For now, have fun, keep fishing and we will see you at the upcoming activities.

Terry Focke
(Eliminator)

CLUB OUTINGS

The first club outing and boil is behind us now and for the 34 people who attended we all had a good meal and a good time. I would like to thank Mike and Dianna Anderson and Marlin and Della Schick who stepped up and hosted the event. I would also like to thank my wife Marie and all of the others who helped slice and dice and clean up. Denny Erhardt was a highlight with some fast and furious minnow racing. Now for the "meat" of the article. There were 14 fish that came to the scale on Saturday and another 6 that came in on Sunday. This year to be in the first three places you had to have a fish over 12 pounds, yes I said over 12 pounds. There were 5 that came in over that number. There were only two that came in under 5 pounds.

First Place: Bailey Fode 13 lbs. 15 oz.

Second Place: Dennis Erhardt 12 lbs. 15 oz.

Third Place: Kathy Modin 12 lbs. 11 oz.

A lot of nice fish, congratulations. The next outing will be held Sept. 4th and 5th, it will be at the main shelter in the state park. There will be a weigh in Saturday evening at the main shelter from 7:00 until 8:00 and the final weigh in and boil will be on Sunday. The scale will open at 6:00 and the boil will be around 7:00. Look forward to seeing you and good luck on the water.

Bryce Anderson
(Captain Carp)

24th GPTSC Derby 2010

This year's derby is fast approaching and with the help of our great e-board members and volunteers to help put this event together we will again have a very good derby, weather permitting and fish biting. Our good Sponsors again have donated many very nice prizes, some worth well over \$100.00 which will be given away to the lucky winners, like a Camcorder from Captain Jacks worth \$130.00. A limousine ride from Godfather Limo Service worth \$180.00 which I drive for and many more very good prizes. We will also for fun have the Skipjack contest and the Calcutta.

Very surprisingly Salmon fishing the first part of August has been excellent with many fish between 10 and 13 lbs being caught. I think these are fish from the 2006 stocking which was over 200,000. Hopefully the bite will keep up past Labor Day and we will all catch some nice fish.

If you haven't sent in your application yet, do so or sign up at the rules meeting Friday, August 20th before 7:00 and don't forget the kids and teens to fish this Derby. We have trophies and great prizes also for those who participate, let them reel in a Salmon and they will get Hooked on fishing. See you

all at the derby and MAKE THAT ONE
MORE PASS!

Dennis Erhardt
(The retired BOAT DOCTOR)

21st Annual Physically Challenged Children's Fishing Event

The 21st Annual Physically Challenged Kid's Fishing Day will be September 11th from 11:00 AM to 2:00 PM Central Time and will be held regardless of the weather. The event is hosted by the Garrison Dam National Fish Hatchery and the Great Planers are responsible for providing volunteers to help the kids fish, cook hotdogs, serve lunch, weigh and clean fish.

The kids that participate in this event do not have the same opportunities to fish that we might take for granted and without our help the event would not take place. Come to the hatchery and make a difference for some special kids and their families. Your help will be appreciated. The kids have a great time and you may be surprised at just how much fun and rewarding it is.

Any questions, contact Kevin or Brenda at 255-0607 or wefish@wildblue.net. Hope to see you there.

Kevin & Brenda Seher
(Megan Marie)

REMINDER: The Club will be conducting it's Report Card Program. You can find the report card elsewhere in this newsletter for your use.
